

Black Belt Summer Camp

This summer your kids could kick back Or they could be kicking up a storm!

Attention: Elementary & Middle School Parents!
Do you need a safe, constructive & fun environment for your child this summer?

Our summer camp is a fun filled week full of dynamic martial arts, Nerf battle and valuable life skills. This year our theme is "Five Black Belt Traits". Each day we will train on a different aspect of being a black belt, including **super strong kicks, black belt listening, goal setting, and perseverance!** At the end of the week, we showcase all the skills we have learned in our closing ceremony with an exciting board break!

Some of the life skills that we are focusing on this year are:

Self-Control
Self-Regulation
Goal Setting
Empathy
Self-Discipline
And more!

My daughter looks forward to karate camp every year! The atmosphere is always positive and exciting!
- Susanna Rowles, mother
